...SPECIFICATION targeted by the advertisement. The preferred transmission
   time data indicates a time slot (time of day) during which the
   advertisement should be preferentially transmitted. The *advertisement*
   attribute data indicates a field (*advertisement* attribute) to which a
   product advertised by the *advertisement* belongs, and the
   *advertisement* attributes are classified into, for example, cars,
   insurance, foods and the like.
      In order to specify an audience group as a target group of the
   *advertisement*, a sponsor assigns in advance a value representing a
   weight to each category of each classification of the audience group
